

22. NEW ERA

I come from the high sea
I am a warrior of Mommy Iemanjá
Wave by wave here I arrived
In this Garden that I sought so much

In this garden of roses and carnations
Mother Jasmin, lily and Muká
It is me, Beijamim
I bring the perfume of the rosemary flower

To decorate this beautiful garden
Where lives the glorious Rose
Great-Grandmother Rita, a beautiful Rose
Brings us joy for this new life

Who Announced was Great-Grandfather
Sebastião

That a new generation would arrive
For a new world, a new people, a new era
Because that system was already old

22. NOVA ERA

(Beijamim)

| Eu venho do alto mar
| Sou guerreiro de Mamãe Iemanjá
| De onda em onda aqui cheguei
| Neste Jardim que tanto procurei

Neste jardim de rosas e cravos
Mãe Jasmim, lírio e Muká
Sou eu, o Beijamim
Eu trago o perfume da flor do alecrim

Para ornar esse belo jardim
Aonde mora a gloriosa Rosa
Bisavó Rita, a Rosa bonita
Nos traz alegria para esta nova vida

Quem Anunciou foi bisavô Sebastião
Que ia chegar a nova geração
Para o novo mundo, novo povo, nova era
Que esse sistema velho já era
